

# 2022

Scotty Swinger  
Student Pastor

Thanks for picking up a copy of our Sugar Land Students Summer Calendar! I hope this is helpful to you as you make summer plans and look for ways to get involved with Sugar Land Students.

For a teenager's faith, summer can mean one of two things: A) a time of tremendous growth, focus, and rejuvenation or B) a time to take a break, and potentially drift away from God. We want to make sure all students have the opportunity to lock in on Option A and use this summer to take big steps forward in their faith! Last summer we witnessed some incredible things in terms of students growing closer to God and closer to one another. We believe that God is going to do it again this summer!

Summer '22 is going to be epic, with opportunities to serve through VBS and a Mission Trip, trips to New Mexico for Generate Camp and Arkansas for the Upperclassmen River Trip, and weekly fun activities that will include Six Flags, TopGolf, a Galveston beach day, pool parties, a Dynamo game, and more. If your teenagers is already plugged in with Sugar Land Students, this is the summer to go deeper; if they've never been part of Sugar Land Students, this is the *best* time to get involved!

I want your teenager to dive in and grow this summer! It's not about church attendance or checking more items off a religious list; it's about Jesus, and it's about others. Sugar Land Students is a place where middle and high school students will be known, be loved, and belong. There are plenty of activities happening this summer to help students know Jesus and know one another. We are a community that challenges each other in our faith *and* has fun together in Godly relationships.

Let's enjoy this summer for all that it's worth! Can't wait. See you around.
